ONLY LEVEL 2 BSA CLIMBING INSTRUCTORS CERTIFIED IN ORANGE COUNTY MAY RENT KITS, and they are responsible for any “issue resolution” regarding a rental.

Climbing Kit Rental Fees in 2017 are increased to $110 per kit per weekend. To reserve a kit, call or email one of us below with a date request. Do this at least 60 days ahead of desired date. If your request can be met, you will have 10 business days, to get RENTAL FEE payment to our account. This is accomplished by the following FOUR actions (all are necessary).

1. Make RENTAL check(s) payable to "OCBSA" (get this right). (See below for Security Deposits).
2. In "memo" area of check (lower left corner) write "Climbing Kit Rental Fee”.
3. Scan or take photo of check and email to: dpaul@damore.org, reconfirming use dates.
4. Deliver or mail this check to BSA Headquarters:

   OCBSA  
   1211 East Dyer Road  
   Santa Ana, CA 92705  
   ATTN: Accounting  
   Deposit to: Climbing Kit Rental Account

PLEASE…make it easy for BSA staff to get your check in the proper account. Print or write clearly...remember, YOU are responsible for completing the rental payment. If it is not correctly deposited, YOU will have to make the required correction before kit(s) can be released!

Any and all issues including confirmation of payment should be directed to me at either of these connection points; email to dpaul@damore.org, or telephone 949-322-4865.

2016 and Later SECURITY DEPOSIT CHECK(s)

*Beginning immediately, kits rented for dates in 2016 or later require a SECURITY DEPOSIT check which MAY be refunded if all gear is returned intact and NEATLY PACKED AS SUPPLIED. Security Deposit amount is $150 per kit. Check is payable to: OCBSA. Memo on check should be “security deposit: X kits, and dates of use, (where X=# of kits rented). Mail deposit checks either to me or to Christian Miller at address below: (not both).

*It is our intention to return security deposits, but history has shown not all the gear comes back as supplied, or gets back at all… At your choice I will return or destroy the SECURITY DEPOSIT check when all proves well. If needed, the check will be deposited and any refund will be by check request, OK’d by me and signed by the Outdoor Activities Director.

These policies may be changed or updated periodically by the Climbing Program Director or Climbing Team
